Kelly has been working in escrow since 1986, and has been with Pickford Escrow since 2002. Her dedication to her profession and her excellent customer service come out in each file she touches, and her friendly and positive attitude is reflected in her team. They will always go the extra mile for their clients, and consistently strive to make the escrow process a positive experience for all those involved.

Out of the office, Kelly enjoys spending time with her family, particularly on outdoor adventures!

“Kelly – We just want to take this time to tell you how much we appreciate everything that you and your staff does! You go above and beyond to make sure that everything is being taken care of in a prompt and courteous manner. You and your staff have taken great care of our clients and us for the past 12 years, and we really appreciate it! You are the best, and we wouldn’t use anyone else. Thank you for all that you do!”
