Stacey Glenzer

Branch Manager – Escrow Officer

Stacey started in the real estate industry in 1986, first in lending and then real estate sales, and she has been with Pickford Escrow since 2003. Stacey loves a challenge, and enjoys problem solving. She has a wonderful job doing what she loves, and has enjoyed working on many types of real estate transactions, including statewide REO/bank-owned re-sales, short sales, bulk sales, retirement community re-sales, Indian Land Leases, refinances, and of course traditional re-sales.

Stacey enjoys educating and sharing information with Agents on the constant changes in the marketplace and has an in-depth knowledge of escrow and real estate practices. Her strength lies in resolving difficult transactions and in providing constant communication to all parties, which allows her to coordinate a quick, seamless, and professional closing. At home, Stacey loves reading – there's nothing more relaxing!

The Newport Beach Branch is a cohesive team of exceptional customer service-oriented escrow professionals that make each and every request a top priority!

“I have worked with Stacey Glenzer at Pickford Escrow Company for the past three years. Stacey has always been responsive to my needs and my client's needs. Her knowledge and professional attitude surpasses anyone I have worked with in the past.

Stacey is always friendly and very accessible. I can walk into her office any time of the day and she always welcomes me with her beautiful smile. When I walk out of Stacey's office all of my requests are taken care of and my questions are answered. I can't imagine working with anyone else. I will recommend Stacey and Pickford Escrow to all of my future clients.”
