### Stephanie Wolf

*Director of Operations  
Branch Manager – Escrow Officer*

Stephanie has been with Pickford Escrow since 2000, and has been in the escrow field since 1997. She currently serves as the Brentwood Branch Manager and Escrow Officer, regional Director of Operations for Los Angeles County, Relocation Escrow Director, and on our advisory council.

Aside from her family, Stephanie's other passion is escrow, and it shows clearly in every transaction she is involved with. She works hard with her team to ensure that all Agents, Sellers, and Buyers have the best possible real estate experience!

“Thank YOU and your wonderful team! To work with you all is such a joyful experience in a not-always-so-joyful business. You guys take the brunt of so much and are always cheerful, helpful, and go far beyond the extra mile to assist me as well as my clients and the other agents. Thank you!!!”

*Janie Peet-Thompson, Berkshire Hathaway HomeServices California Properties*

“Stephanie: You consistently perform. Believe me, you stand out from the competition by a great margin, and you are a pleasure to know. All the best and here's to more deals ahead!”

*Michael Hiatt, Sotheby's International Realty*
