

LAGUNA BEACH

Melissa Margaretis

Branch Manager – Escrow Officer

Melissa has been working in escrow since 2000 and with Pickford Escrow since 2007, and she runs our Laguna Beach branch office. Her strengths include resale, new home, refinance, and vacant land sales, and she manages the Relocation desk for Orange County. Out of the office, Melissa loves to be outdoors, hiking and camping as much as she can.

Her team is strong and well rounded, and they run a diverse desk. Melissa strives for perfection on all of her files, and providing excellent customer service is always her goal.

“A huge thank you for your AMAZING customer service as I transition back into Real Estate. I have been in the Real Estate industry for over 10 years; which is long enough to know that great escrow companies are hard to find. However, I had been working on a large project in another county for the past 3 years, making me slightly detached from the current rules of residential Real Estate, and there were many things I had forgotten along the way.

Stepping back into Real Estate was a little bit scary and very comfortable at the same time. You always made me feel like I could reach out to your team for anything and with any questions; no question was too big or too small. You knew that I needed that extra guidance and you and your team ensured that you were there for me every step of the way. You truly provide excellence in customer service.

It goes to show that your team is dedicated and appreciative of all of your Realtors. This is the first of many transactions together. A HUGE THANK YOU, you have earned a Realtor for life.”
