

PICKFORD ESCROW COMPANY

Chula Vista

Jessica Maldonado, Branch Manager – Escrow Officer

Jessica started working for a title company in 1998 in a refi title unit before transferring to an escrow unit, where she worked for 12 years. Jessica started managing our Chula Vista branch of Pickford Escrow in 2011, where she enjoys serving agents in South County. On weekends, Jessica enjoys biking and outdoor activities with her family and her dog, Guero.

Jessica's favorite transactions are complicated, intricate ones that provide a challenge. Along with her team she enjoys providing excellent customer service and building rapport with her clients!

"Just one of the reasons I will continue to support Jessica Maldonado as my preferred escrow officer is her unparalleled customer service skills. I have never encountered anyone who works so tirelessly to ensure that files close promptly. Her expertise and experience within her field makes her unstoppable and a huge asset to my clients and me. She lives and breathes her work, and treats each file as if it were her own family's personal transaction. I feel privileged to have aligned myself with such a stellar person and escrow officer."
